About This Game

Go on a quest to defeat an ancient evil. There's a magical world hidden beneath ours in this hidden-object puzzle adventure - but first you must gain the Sight to save it! 5d3b920ae0

Title: Otherworld: Shades of Fall Collector's Edition

Genre: Adventure, Casual

Developer:

Boomzap Entertainment

Publisher:

Big Fish Games

Franchise:

Otherworld

Release Date

English

otherworld shades of fall collector's edition

Nice little HOG on an easier side. This is the third part of a series and unfortunately Big Fish decided against releasing the final part. This game is still worth playing if you love the genre.. Third part of the Otherworld series. Unfortunately, the fourth (the one that likely dealt with the Endless Winter) never was produced. Anyway, in this one you are trying to reassemble an ancient artifact that once trapped your foe. But it won't be that easy. Plot is decent, HO scenes are fun, and the minigames are entertaining. Would recommend.
